

# IT'S GOING TO BE A SIZZLING SUMMER!

More Sizzling Summer Fun will be offered for Niles Township students in grades 1 through 8, in addition to our popular Sizzling Summer Science.

For more information, visit the website at <http://register.niles-hs.k12.il.us/summerschool/>

## Sizzling Summer Shakespeare

Need a little drama in your life? Why not join the cast of a Shakespearean play and make new friends? In this two-week course, you will learn about Shakespeare's England, acting tips, blocking, characterization and set design in order to produce and perform a Shakespearean play.

Dates: June 14-25

Time: 11 a.m. - 12:30 p.m.

Grades: 1-8

## Sizzling Summer Engineering

Enter a world of Imagination, Innovation and Learning. This project-based, hands-on and real-world problem solving camp is based on the successful pre-engineering program of Project Lead The Way (PLTW), offered at both Niles North and Niles West High Schools. The STEM (Science, Technology, Engineering and Math) learning activities are designed to nurture kids' imaginations, inspire creativity and thoroughly engage boys and girls of all backgrounds, igniting their passion and fueling interest in understanding how things work.

Dates: July 6-16

Time: 1 p.m. - 4 p.m.

Grades: 6-8

## Sizzling Summer Science

Welcome to our third season of Sizzling Summer Science. At District 219, science isn't just about studying from a textbook and taking tests ... it's about experiencing and exploring. Our highly qualified science teachers know that science education can be exciting and empowering for everyone, and we look forward to introducing some young budding scientists to the thrill of discovery.

Dates: June 14-18 and June 21-25

Grades: K-8

Time: 1 p.m. -2:25 p.m. or 2:35 p.m. - 4 p.m.

It's time for another exciting season of  
***SIZZLING SUMMER SCIENCE***

For Grades K - 9

June 14-18 & June 21-25

1:00 - 2:25 p.m. and 2:35 - 4:00 p.m.
