## **Employment and Assessment**

Employment of new employees to fill vacancies or new positions shall be made by the Board of Education, upon the recommendation of the Superintendent. The Superintendent shall carefully review candidates and recommend those who are most qualified to fill the position.

# Resignation and Retirement

An employee is requested to provide two (2) weeks' notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify their supervisor at least 2 months before the retirement date.

#### Non-RIF Dismissal

Unless otherwise specifically provided, District employment is at-will, meaning that employment may be terminated by the District or employee at any time for any reason, other than a reason prohibited by law, or no reason at all. Nothing in Board of Education policy or in an employment-related notice is intended, or should be construed, to alter the employment at-will relationship, unless expressly so stated.

The Superintendent is responsible for making dismissal recommendations to the School Board consistent with the Board's goal of having a highly qualified, high performing staff. This includes recommending a non-licensed employee for immediate dismissal for willful or negligent failure to report an instance of suspected child abuse or neglect as required by 325 ILCS 5/.

#### Reduction in Force and Recall

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they, or other laws, are applicable and not superseded by legislation or an applicable collective bargaining agreement.

## Final Paycheck

A terminated employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

#### Suspension

Employees may be suspended as provided for in Board policy 5:295 on suspension of employees.

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the

suspension.
